

Patent No. 5,907,395 was 09/870,296. Copies of documents from the assignment records of the Patent Office are enclosed herewith for the consideration of the examiner.

A copy of a General Release duly executed by an officer of Silicon Valley Bank is enclosed indicating that such party has released all right, title and interest in the subject patent. The General Release has been forwarded to the Assignment branch for recording.

Patentees traverse the rejection of the claims at issue as being based upon a defective reissue oath/declaration. A substitute Declaration is enclosed herewith addressing the issues raised by the examiner in this regard.

Patentees offer to surrender the original patent upon resolution of all remaining issues in this application.

For the foregoing reasons, reconsideration and withdrawal of the rejection of the claims at issue and allowance thereof are respectfully requested.

Respectfully submitted,

Law Offices of
William E. McCracken and Associates

DOE Contract No.: DE-AC05-84OR21400
DOE Waiver No.: ORO-348.W(1)-88-016
Continuing Data if any:
Patent Rights Clause No.: DOE PR 9-9.104
Foreign Applications filed or intended to be filed at Contractor's expense in (countries): None

The above-identified invention has been reported as a Subject Invention to the U.S. Department of Energy under the above contract. The invention has been determined to be excepted from the Class Waiver granted in the contract but has been waived to the Contractor under the above identified invention waiver effective March 19, 1990.

Accordingly, this document is confirmatory of the nonexclusive, nontransferable, paid-up license to practice or have practiced for or on behalf of the United States in this invention, patent application and any resulting patent and of all other rights acquired by the Government by the above identified Patent Rights Clause, a copy of which is attached hereto and incorporated by reference herein. The undersigned certifies the attached copy to be a true copy of said clause. It is understood and agreed that this license does not preclude the Government from asserting rights under the provisions of said contract or of any other agreement between the Government and the Contractor, or from asserting any other rights of the Government with respect to the above identified invention.

The Government is hereby granted an irrevocable power to inspect and make copies of the above identified patent application.
